# WINE LIST

Our wine list is prepared with great care and pleasure, so that a suitable wine can be found for everyone.

## SPARKLING WHITE

Fratelli Zuliani Vino  
Bianco Spumante

Several Italian grapes

Making of happines wines is the passion of the brothers Zuliani. And they are good! This spumante is their newest pearl. One of our absolute recommendations!

6,50 32,00

## WHITE

Boschendal Jean Garde  
Unoaked Chardonnay

South-Africa | Franschhoek  
Chardonnay

Jean Garde was one of the historical owners of the Boschendal estate (since 1685) and the namesake of this heavenly full and fresh Chardonnay. Packed with yellow fruit what gives this wine a very pleasant aftertaste. Overall very tasty.

6,50 32,50

Boschendal Rachel's Chenin Blanc

South-Africa | Franschhoek  
Chenin Blanc, Viognier

Should be pronounced in South-African, so as 'Raggels' Chenin Blanc. It is an astonishingly delicious glass Chenin Blanc, pronounced fruity, with enough bitters and acids to create a very pleasant whole. Our favorite with (spicy) Asian dishes.

6,50 32,50

## Franz Haas Pinot Grigio

Italy | Alto Adige | Pinot Grigio

Pinot Grigio from Alto Adige is world famous and Franz Haaz is making one of the best. Very refreshing but also aromatic with a taste of acacia honey, sage and almonds. A very exciting Pinot Grigio

7,50 37,50

## RICH, FULL AND ROUND

Boschendal 1685 Sauvignon Blanc  
Grande Cuvée

South-Africa | Franschhoek  
Sauvignon Blanc, Sémillon

The Boschendal wine that everyone knows and likes! Many also order it as 'the Boschendal with the blue capsule'. Just a very good Sauvignon Blanc, which, due to the use of a small percentage Sémillon, forms a very tasteful wine.

37,50

Boschendal 1685 Chardonnay

South-Africa | Franschhoek  
Chardonnay

The 1685 Chardonnay gets a few months of wood aging. The combination with the exquisite fresh citrus fruit, aromas of ripe pineapple, cinnamon and nutmeg makes this wine really divine. An ideal companion for fish, shellfish and crustaceans, poultry or just without all these goodies.

## Did you know?

The world's oldest wine dates back to 6000 years ago from Armenia. The discoverers used 'biochemical dating' to discover the age of this particular wine.

## ROSÉ

### Boschendal The Rose Garden

🍷 South-Africa | Western Cape  
Cabernet Sauvignon | Merlot  
Syrah | Shiraz

*Made with care, because each of the three grape varieties (Cabernet Sauvignon, Merlot and Shiraz) is processed separately. The final blend results in a fruity, fresh and juicy rose. This wine owes its name to the hint of rose petals in the smell. In the taste you will mainly find divine cherries and strawberries.*

🍷 6,00

🍷 32,00

### Roseline Prestige Côtes de Provence rosé

🍷 France | Provence - A.C. Côtes de Provence | Cinsault | Grenache Vermentino

*Beautiful, bright pale salmon pink color. The nose combines notes of fruit (yellow peach, citrus) and flowers (elderflower and rose petals). The attack on the palate is lively with good length expressing the finesse, elegance and freshness of rosé wines from Provence.*

🍷 45,00

## RED

### MEDIUM, SPICY & FULL

#### Beronia Tempranillo

🍷 Spain | Rioja | Tempranillo

*This very fruity Spaniard immediately seduced us with its maximum expression of the Tempranillo grape with complex aromas of blackberries and licorice root. You taste subtle spices, touches of vanilla, coconut and a pleasant-tasting mix of cacao and cherries.*

🍷 7,70

🍷 33,00

### STURDY, WOOD-AGED & COMPLEX

#### Bodega Norton Malbec Reserva

🍷 Argentina | Mendoza | Malbec

*This is the Malbec with which Bodega Norton conquered the world, from Buenos Aires to Los Angeles and Tokyo. This wine wins the hearts of the experts and wine lovers everywhere. The Malbec Reserva tastes full, concentrated in fruit and you taste the intense flavor of rearing on wooden barrels. Perfect to combine with red meat, almost everything from the barbeque and hard cheeses.*
